# Land System

## Grid Structure
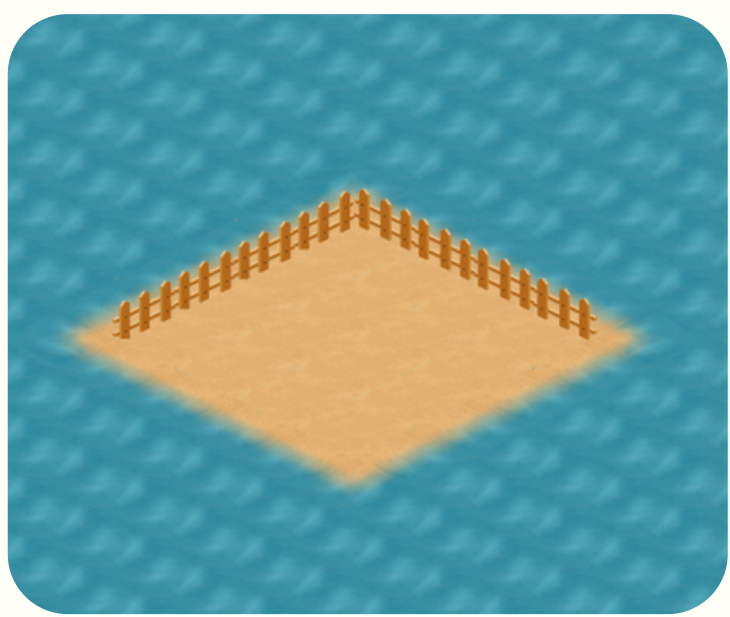

You can start the game with a free 4x4 (16 tile) island on an 80x80 (6,400 tile) isometric field.

## Ring Unlock
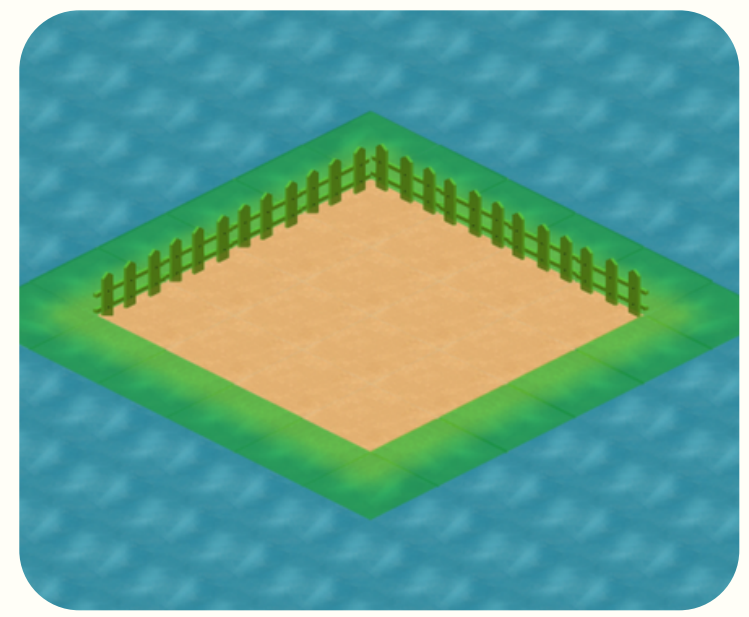

Each "ring" adds a new tile ring around your current island. You must pay xTopia tokens to unlock the ring.

# Marketplace and NFT Items

## Consumable

- Burn after use
- Single use
- Example: Wheat Seed, Carrot Seed

## Permanent

- The timer resets after a claim
- It gives rewards repeatedly
- Example: Apple Tree, Windmill, Tractor

## Tier System

5-Tier Item System.

Higher-tier items provide greater rewards but require a longer wait time.

## NFT Items

There are a total of **20 items**: **6** for *Tier 1*, **5** for *Tier 2*, **5** for *Tier 3*, **2** for *Tier 4* and **2** for *Tier 5*.
